

# We Wish You The Compliments of the Season

---

We wish a Happy New Year and many happy returns of the day. And somewhere in a warm corner of your heart we hope you have a responsive feeling for us and a kindly regard for this store.

It is significant of this New Year's HOLIDAY that we give a thought to things past, drawing comfort from the best we have done, getting inspiration from it while we are making resolutions for the future. And, above all, cultivating through its kindly feeling and considerate regard for one another.
